Items & Merchandise for Resale

Extended Licenses for specific uses are required when any one of these criteria are met:

- The content becomes an integral part of the product which adds value to the product itself.
- The content is being distributed as a part of the product offering.
- The content is being used in a product that's been given free of charge but has a money generation model such as third party advertising attached to it.

For correct licensing options and consultation, please do not hesitate to [contact us](#)

Note:

1. Please secure the appropriate licenses (Print Only Extended, Electronic Extended, Comprehensive Extended) for your projects.
2. For large-sized companies with multiple designers working on the same image, a multi-user license for each image has to be secured.
3. Please contact customer service if the license summary does not indicate the usage above. Our Account Managers will attend to your every query.
4. Please be aware that all usage of vector icons as company logo is prohibited.
